

natural aromatherapy remedies for pets a calm dog is just a mist away...

✓ **Applications:** Help your dog stay calm during thunderstorms, fireworks and other loud noises, parties, training, competitions, adoptions, Halloween and other holidays, separation, bath time, grooming, crating, hospice, and clinic or kennel visits!

✓ **Ingredients:** Pure essential oils of bergamot, tangerine, lavender, geranium, marjoram, and ylang ylang in water with polysorbate 20 (emulsifier) and potassium sorbate (preservative).

✓ **Easy to use:** At the first sign of upset, spray 1 or 2 mists on your fingertips and gently massage the dog's outer ears. If you don't see results within 10 minutes, repeat as needed. You can also lightly mist the dog's favorite blanket, bandana or bedding that is used inside the home or travel crate, and repeat as needed.

[For first use: lightly mist your shirt or pant legs and hang out with your dog at a nonthreatening time to help associate the scent with a person of comfort and to see how the dog responds to the product.]

✓ **Effective:** Recommended by dog lovers and professionals as a safe and effective natural remedy for over 90% of dogs who experience whimpering, cowering, trembling, panting, pacing, drooling, barking, shaking, vomiting and other signs of upset during non-routine activities, and fearful or unsettling times.

"Working in rescue, we get a lot of dogs surrendered due to separation anxiety or behavioral issues, and CANINE CALM really helps with these issues. It also smells great!" – Karen Rogers, Five Barking Dogs!

✓ **Water-based:** Won't stain clothing or make fur sticky.

✓ **Safe:** Family and puppy friendly (from 8 weeks), packaged in a BPA-free recyclable container, made in the USA, and diluted for use as often as needed.

✓ **Economical:** Depending on the degree of upset, the size and age of a dog, 2 to 4 mists are generally needed. With about 600 mists per bottle, calming your dog can cost less than 10¢ per use.
