

natural aromatherapy remedies for pets nurturing health is just a mist away...

✓ **Applications:** Help relieve itching, swelling, hot spots and other irritations or minor problems after exposure to lawn or chemicals, environmental irritants, dry air, viruses, bacteria, or long-term use of medications!

✓ **Ingredients:** Pure essential oils of niaouli, ravensare and frankincense in water polysorbate 20 (emulsifier) and potassium sorbate (preservative).

- ✓ **Easy to use:** Spray 1 or 2 mists directly onto irritated skin, and repeat as needed. For systemic application, spray 1 or 2 mists on your fingertips and massage the dog's outer ears twice daily.
- ✓ **Effective:** Recommended by dog lovers and professionals as a safe and effective natural remedy to help relieve itching, swelling, skin problems, and other minor illnesses in over 90% of dogs exposed to lawn or pool chemicals, environmental irritants, dry air, viruses, bacteria, or long-term use of medications.

"Our dog Thomas has summer allergies and frequently bites his itchy skin. Since using GUARD WELL, he's not biting his paws or scratching every few minutes." – Joie B, Michigan

- ✓ **Water-based:** Won't stain clothing or make fur sticky.
- ✓ **Safe:** Family and puppy friendly (from 8 weeks), packaged in a BPA-free recyclable container, made in the USA, and diluted for use as often as needed.
- ✓ **Economical:** Depending on the degree of upset, the size and age of a dog, 2 to 4 mists are generally needed. With about 600 mists per bottle, nurturing your dog's health can cost less than 10¢ per use.

Recognition & awards from trade and consumer magazines, noted dog blog sites, pet radio & more!
